

**1 Protecting Warrington's Green Belt.** We'll immediately review up Warrington's Local Plan, prioritising homes to be built on brownfield sites.

**2 A Borough Open for Business.** Backing local businesses, our Town Centre and High Streets to aid the Covid-19 recovery.

**3 Fixing potholes and cracking down on flytipping.** Re-surfacing damaged roads and pavements and getting to grips with the rubbish on our streets and grass verges.

**4 Delivering the right mix of homes for Warrington.** Building affordable family homes to buy and rent and starter homes for the next generation of homeowner.

**5 Support for the elderly and vulnerable.** Making it easier to access community based social care and support when its needed.

**6 Lower taxes, better services and reduced council debt.** Prioritising investment in local services and efficiencies to benefit council tax payers. An end to borrowing to fund out of area schemes.
