# our plan

## to ensure Tatton is a great place to live and work

Esther campaigning with local residents in Wilmslow

### 'ESTHER WILL BE GREAT FOR LYMM'

'Lymm has only just been moved into the Tatton constituency, and yet Esther has already been active in the village. I know Esther is going to be the active, visible local champion that people- whatever their political persuasions- really value and appreciate. She is a breath of fresh air and has my full backing.'

Kath Buckley, Lymm resident and former Councillor

Kath is giving Esther her full backing

**Esther has a reputation for standing up for common sense and for being an active hard working MP.**

Esther prides herself on being accessible to her constituents, being visible in the local community and getting results for local residents who seek her assistance.

Esther has also spent a lot of time supporting local businesses and

farmers to ensure they can thrive for the benefit of the local economy, community and environment.

If re-elected, Esther will continue to be a local champion for Tatton, its businesses and local residents.

### DEALING WITH TRAVELLERS

'Esther is the most pro-active and accessible MP we have ever had. We have had repeated problems with travellers setting up camp on our land, and each time Esther has been instantly available, and been straight on to the Police to ensure they are moved on straight away. It is brilliant to know Esther is there to fight for us whenever we need her'

David Salmon

Chairman and CEO

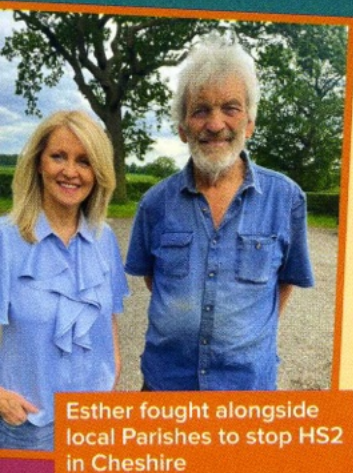

Amelia Knight Cosmetics

### VILLAGE SURVIVAL

'Ashley village survives thanks to the efforts of Esther in securing the cancellation of HS2. She lobbied the government for years and was always available to help as the Parish Council navigated the legal process. We had her unwavering support'

Jeff Warburton Chairman

Ashley Parish Council

Esther fought alongside local Parishes to stop HS2 in Cheshire

### LOCAL FOOD PRODUCER BACKS ESTHER

'Esther has been a huge support to businesses like mine, and is a real champion for farmers and food growers in the constituency. Whenever any issues have arisen Esther has managed to get the relevant government Minister to engage with us. Having Esther there to look after our interests is hugely reassuring.'

Philip Pearson, Alderley Edge resident and partner in A.Pearson and Sons, tomato producers

Phil and Esther have worked together on a number of issues affecting the sector

### PUB CHAMPION

'Esther is a terrific champion for local pubs and the greater hospitality sector. She gets out and about and is always accessible to anyone who wants to speak to her. During the challenges of Covid 19 lockdowns, Esther was always there, listening and speaking up for us, to ensure that our pubs and the wider industry, were not forgotten'

Tim Bird Co-owner

Cheshire Cat Pubs and Bars Ltd

The company runs pubs across Cheshire which are a vital part of village life

### SUPPORTING YOUNG PEOPLE

'As a young person working in Wilmslow, I have found Esther inspirational- in approach and her views. Getting on the housing ladder is a goal of mine, one I share with many my age; I have found Esther to be accessible and engaging on the subject. It's great to have an advocate and ally in her.'

# KEIR STARMER

NEEDS **YOU**  
...TO GIVE HIM  
A BLANK CHEQUE

Keir Starmer knows that if people like you let him win here, by voting Labour or Reform, you could hand him over 100 extra seats. That could mean handing Labour a huge majority.

That means Starmer would have a blank cheque to do whatever he wants, without anyone holding him to account.

Are you sure this is what you want?

- More taxes and borrowing, leaving our children with more debt
- More of YOUR money going to benefits
- Angela Rayner's French-style union laws, banning flexible working entirely, putting people's jobs at risk
- Introduce the Retirement Tax, applying tax to the basic state pension for the first time in history

**KEIR STARMER NEEDS YOU TO GIVE HIM A BLANK CHEQUE.  
DON'T RISK IT. VOTE CONSERVATIVE.**
