THE IMMIGRATION ELECTION

Only Reform UK will freeze immigration...

IMMIGRATION NEEDS REFORM

Freeze Non-Essential Immigration

Smart immigration will target those with the essential skills that we need, such as doctors.

Stop the Boats and Leave the ECHR

Only Reform UK will turn the boats back to France and leave the undemocratic ECHR.

Stop the Illegal Working Scandal

We will ensure rules around illegal working are robustly enforced and impose penalties on companies and directors that breach the rules.
